## **CERTIFICATION OF COMPLIANCE**

This letter serves as notification that Potlatch Forest Products bearing the APA Trademarks are manufactured in accordance to U.S. Product Standards PS 1-07 and PS 1-09 as well as the APA, The Engineered Wood Association, Adhesive Policy.

Structural Panels manufactured in accordance to PS 1-09 are exempt for California Air Resources Board regulations (Section 93120.1 (8)). However, plywood manufactured by Potlatch Forest Products contains no added urea formaldehyde. In addition, Potlatch Forest Products is the only domestic manufacturer to pursue the APA Custom Product Specification E710 as a Structural Panel Manufacturer Qualified for Low Formaldehyde Emissions with a G5 rating that meets the most stringent level specified in CARB and HUD regulations. Testing is conducted with the APA on a Quarterly basis.
